Presenters include:

Marty Jones: Designing Bird Habitats

Marty is President of the Wabash Valley Audubon Society. He is a popular speaker on the topic of birds and specializes in backyard habitats.

***Jo Ellen Meyers Sharp: New Plant Samples for
the Summer***

Jo Ellen, as the Hoosier Gardener, has been writing and speaking about natural gardening for more than 20 years. She is also a garden coach, a landscape consultant and frequent guest on television and radio. Her books will be available for purchase.

Steve Swain: Accessibility Gardening

Steve has presented at numerous functions on accessibility and farming with a disability. He joined the Breaking New Ground Outreach Program in August of 2000. This session will explore the basics to accessible gardening.

Lisa Holscher: Rain Gardens

In 2008, Lisa was hired as Watershed Coordinator to oversee development of a watershed management plan for the Busseron Creek Watershed. Lisa's rain garden presentation will focus on the step by step procedures to design and install a rain garden. Attendees will be provided with workbooks and suggested plant lists to assist them with their own rain garden design.
