### WABASH VALLEY MASTER GARDENER ASSOCIATION PLANNING AND SCHEDULING MEETING

November 20, 2018, 6:30pm, 4-H Building, Vigo Co. Fairgrounds

Meeting called to order at 6:30pm by President Phil Small.

Educational time 1.0 hours: Vice President Ruth Bohner introduced our speaker from JR Pharmacy, Lori Eldred, whose topic was CBD 101. She said that CBD oil has been rumored to cure almost anything. Cannadol is a non-psychoactive cannaboid found in hemp. Hemp and Marijuana are subspecies of Salvia. Hemp has mainly been used in textiles. Hemp oil comes from the stalks. CBD Oil comes from the flowers and leaves of industrial hemp and is not physically addictive. It will not show up in urine tests (unless the product is impure or taken in excessive doses). THC must be less than 3%. JR Pharmacy carries a brand called Ananda which is organically grown in Kentucky. It comes in capsules, a tincture and salve. Capsules have no taste and is convenient. It is best taken on a full stomach. The extract has bioquality that produces good results and the dosage can be customized. The salve can target one specific area. Edibles containing the oil are unreliable. Used as a vapor it produces the quickest high bioavailability. Some things it is used for include: in antibiotics, anxiety, seizures, inflammation, pain, insomnia, ADHD, Cancer, Diabetes (neuropathy), muscle relaxer, heart disease, Alzheimer's, and neural protection (Parkinson's or Neuralgia). Some of the negative effects include: drug interaction (most occur in liver enzyme P450 like grapefruit. Some drugs need P450). A person should let their doctor and/or pharmacist know what medications they are taking. CBD Oil can be taken with alcohol. If used in moderation. Caffeine and CBD work well together. She provided some pamphlets which describe CBD and its uses and effects.

*Happy 2019!*

*We made it all the way through 2018, congratulations! First up this year is the next Master Gardener class starting February 5th. Tell your friends and family to call the Extension Office for more information. If you are looking to get involved, Spring Seminar is an excellent way to connect to your fellow MG's. My last comment will be that it is **MANDTORY** to fill out your annual agreement for 2019. This is a legal requirement from Purdue and can be done through the online portal OR by filling out the paper copy with me (pick up at a general meeting or I can mail one). **PLEASE** call if you have any questions or concerns.*

*Sincerely,*

*Dana Gadeken*

*Master Gardener Coordinator*
